Underwriting Requirements:

COMMERCIAL AUTO TRUCKING PROGRAM
Tractor Trailers, Box Trucks & Cargo Vans

Submission Checklist

- Few as 1 Unit if Box Truck or Cargo Van.
- Tractor Trailer must be a Mix with Box Trucks or Vans. Minimum 6 Units.
- Maximum 300 Mile Radius (will consider increased radius on a case by case basis).
- New Ventures will be considered on a case by case basis (based on owner's experience in the industry and the driver's experience).

For a quote, please submit the following:

1. Excel Transportation Application ONLY accepted. This application is part of the Rating Software. There are no other applications for this program.

Please note: **Must Complete All 3 Sections and Answer All Questions:**
1. General Application
2. Vehicle Schedule
3. Driver Schedule

Please forward to Cluett Underwriting the completed application including:

a. Gross Vehicle Weight of each power unit.
b. Provide a complete and clear description of operations (just stating "Trucker" is not enough).
c. Details on routes including the destinations (City, County, States), number of trips, and furthest distanced traveled.
d. Provide the names of clients/contracts (up to 5).
e. List of the commodities shipped (goods being hauled).
f. If account is moving mid-term, why? Pricing, filings, non-pay, increase hazard? Provide details.
g. If available, please provide Expiring Premium.
h. What filings are requested (if any)?
i. Experience of the owner(s) and the drivers.
j. If new venture, describe what the insured has been doing last several years and experience.
k. Please provide a target premium.

2. Currently Valued Loss Runs – Minimum of 5 years or for the period in business (if less than 5 years).

3. MVRs on "All" Drivers – Valued 45 days or earlier
Note: On a large fleet, only a sample of MVRs are needed. However, MVRs on all drivers will be required prior to binding.
